Fees specified in the present announcement are valid for 1 year from the date of entry into force of the account package contract, which fixed term – unless the Bank’s written notification to the contrary – will automatically be prolonged by 1 year, but will not be prolonged more than 2 consecutive times. If the account package will not be prolonged, the conditions shall be governed by the effective List of Conditions and Announcement on safe deposit box rental instead of the account package conditions contained in the present announcement from the day indicated in the Bank’s notification.

All issues which are not regulated by the present announcement shall be governed by the related General Terms and Conditions, Business Regulation on financial services and financial auxiliary services, the General Terms and Conditions on payment accounts, payment services and deposits, the General Terms and Conditions on VISA CHIP debit bankcards, the Business Regulation regarding electronic and phone banking services, the List of Conditions, the Announcement on safe deposit box rental and the Deposit Announcement on payment accounts and term deposits of retail clients published by the Branch, and the effective legislation.

¹ The package fee is due on the last working day in each month. The Bank payment account usage is to be examined one day before the last working day of the month and the fee is calculated and charged based on that.

² From the package fee point of view the credits on the account arrived from outside of the Bank or income-type credits arrived from inside of the Bank are classified as credit on the account.

³ The account package contains one foreign currency payment account in the chosen currency (CHF, EUR, GBP or USD).

⁴ The account package contains one piece of bankcard (VISA CHIP Gold) for discounted price.

⁵ In the account package one piece of supplementary bankcard (VISA CHIP Classic) is available optional for discounted price.

⁶ The favorable fees announced for bankcard transactions concern only the VISA CHIP Gold HUF bankcard as element of the package.

⁷ From the favorable cash withdrawal fee point of view the date of debit not the date of hold governs.
